**E**

A chance to know me, That's what you're askin  
Nothing 'gainst you But it ain't gonna happen  
Some get a piece No one gets the whole  
It's better than way, I keep control

CHORUS

**A**

**E**

I learned my lesson, Once was enough

**B**

**A7**

**E**

I let someone in, Because I thought it was love

VERSE 2

**E**

That man had style With eyes of brown  
And a beautiful smile He made my heart pound  
A con from the start He slipped on thru  
He left with my heart And all my money too

CHORUS

BRIDGE

**A**

**E**

Some pieces of me I'll never show

**A**

**E**

I can't do intimacy, no one gets that close

**A**

**E**

People think I'm cold because I won't risk it all

**F#**

**B7**

Love takes you sky high, and it hurts so much to fall

INST. is repeat of Bridge

VERSE 3

**E**

It won't happen again No one gets all of me  
It's not worth chancing So please let me be  
As I'm guarding me Against the takers  
It may be lonely But it's so much safer

CHORUS I learned my lesson . . .

then CHORUS TAG with new words:

**A**

**E7**

There's too much at stake Don't like it, well tough

**B**

**A7**

**E7**

It was my biggest mistake When I thought it was love (repeat line slower)
